Home Sec says 'we're coming for criminals'

THE Conservatives have reclaimed their "rightful place as the party of law and order", Home Secretary Priti Patel has said.

In a pointed message ahead of a looming general election, Ms Patel (above) said the government was "coming after the thugs, gangs, and criminals who make law-abiding people's lives a misery".

Speaking on the third day of the party's annual conference in Manchester, she said: "I have the backs of all of the police officers who put their lives on the line day in, day out to keep us all safe and am giving them the tools to do their job."

She added: "As we renew our place as the party of law and order in Britain, let the message go out: To the British people, we hear you. To the police service, we back you. And to criminals, I simply say this, we are coming after you."

Cops called to Tory 'punch-up'

POLICE and paramedics were called to the Conservative Party Conference as an area was put in lockdown.

Officers were seen entering the 'International Lounge' of the Manchester conference centre and moving photographers and reporters away from the scene.

One reporter said there had been a "bust-up" in one of the sponsored lounges, while another called it "an actual punch-up".

A Norwegian MP attending the event said that there been a "misunderstanding".

WHO'S NAGA?

PM reckons he's never heard of Trump race row BBC babe

RUMBLE: Boris, Trump & Naga

PRIME Minister Boris Johnson says he has never heard of BBC presenter Naga Munchetty, who's been at the centre of controversy over on-air comments about U.S. President Donald Trump.

The corporation's director-general Lord Hall was on Monday night forced to overturn a decision made by the BBC's Executive Complaints Unit, which had ruled that she had breached editorial guidelines.

During an interview with LBC Radio, the Prime Minister said he had "never heard of her" when asked by host Nick Ferrari if he thought she had indeed breached rules "by calling Donald Trump a racist".

Mr Johnson said: "I'm so sorry, I just don't, I've never heard of her."

Pressed by Ferrari again, who asked "You don't know the story? You've never heard of Naga Munchetty?"

The Conservative Leader replied: "No, I'm sorry."

The radio host said the "row over racism", to which Mr Johnson replied: "You're going have to forgive me. I should know about Naga Munchetty,

but does anybody know about Naga Munchetty. Hands up?"

Lord Hall said in correspondence to BBC staff that the ruling had sparked "an important debate about racism" and its interpretation.

He added: "Racism is racism and the BBC is not impartial on the topic."

"There was never a finding against Naga for what she said about the President's tweet."

Clear

After reviewing the decision himself, he said: "I don't think Naga's words were sufficient to merit a partial uphold of the complaint around the comments she made."

"There was never any sanction against Naga and I hope this step makes that absolutely clear."

The BBC faced a backlash in the days after the ruling and a number of prominent black and Asian journalists and broadcasters called for the decision to be reversed.

Munchetty has not yet commented and is due to return to present BBC Breakfast tomorrow with Charlie Stayt.

Greggs piles up on pork to keep sausage rollin'

HIGH Street bakery chain Greggs is stockpiling pork so that production of its sausage rolls is guaranteed in the event of a no-deal Brexit.

The firm said: "We are preparing for the potential impact of the UK's departure from the European Union by building stocks of key ingredients."

Around 20 per cent of a Greggs sausage roll is made from pork.

It has previously said a no-deal Brexit may mean it has to find alternatives for fresh tomatoes and lettuce.

Pressure

The firm detailed its planning for the UK's departure from the EU with a trading update showing that total sales had risen 12.4 per cent in the past 13 weeks.

The Newcastle-based company warned that Brexit could put pressure on food and labour costs.

As well as stockpiling key ingredients the firm has also been acquiring some light equipment, "that could be affected by disruption to the flow of goods into the UK".

However, shares fell by 10 per cent after it also said it expected fewer shop openings by the end of the year than it had forecast, but was still trialing evening openings.

By GRACE HOOPER news@sundaysport.co.uk

STUNNING Helen Flanagan has been left distraught after an online troll claimed she had an unkempt VAGINA!

The 29-year-old posted a picture of herself wearing nothing but a towel while sitting on the edge of the bath on Instagram.

Actress Helen, who famously played Rosie Webster on *Coronation Street*, was promoting a skin product and asked her army of followers to retweet the pic, in order to win a holiday.

But the sexy snap also attracted the attentions of an evil troll who started talking about the brunette beauty's ladygarden.

Commenting on the fact the Bury-born lass has big, hairy eyebrows, thedon1888 wrote: "Hope yer vag ain't like yer eyebrows."

A friend of Helen's said: "She was just trying to spread some joy in the world by advertising skincare products – then she gets treated like this."

"Helen is devastated – she doesn't want strangers discussing her minge on a public forum."

Cop-grope woman's black cock outburst

A WOMAN groped a cop and made an offensive remark about his penis, a court heard.

Carley Cushing, 31, was arrested for disorderly behaviour after necking half a bottle of vodka on Roman Way, Islington, north London.

Prosecutor Taiwo Ak-inrowo said Cushing touched up the black police officer and told him 'Shame on you, n****r'.

She also made reference to a black cock and later referred to an officer at Islington Police Station as a 'slanty-eyed c**t'.

Cushing, who has issues related to drugs and alcohol, is on benefits, lives alone and "previously tried to jump off a two-storey building", the court heard.

Cushing, of Islington, admitted intentionally touching the officer in a sexual manner and two counts of using racially aggravated threatening or abusive language with intention to cause harassment, alarm or distress at Highbury Corner Magistrates Court.

She was sentenced to a community order of nine months with at least 20 hours of rehabilitation activity requirement.

British cyclist dies watching a grumble vid

A BRITISH man has collapsed and died in an Italian sex shop while watching a porn film.

Police have confirmed they are investigating the death of the 60-year-old cyclist on Friday afternoon.

The man, who has not been named, reportedly left his bicycle outside the shop in Marghera, near Venice, before paying £5 to enter a private booth inside.

Owner Franco Garoni said: "He was cycling to Venice and asked about watching a sex film so I showed him to a booth and he paid the £5."

"That gives you 15 minutes but when he didn't come out after half an hour we went in. He was collapsed on the floor."

Mr Garoni added that the man "seemed tired" when he entered.

Paramedics declared the man dead at the scene.

Topless – the babes at Jacques Chirac's funeral

By JAYNE FERGUSON news@sundaysport.co.uk

OUR Froggy cousins over the Channel mourned the loss of their former president Jacques Chirac on Monday.

And while his funeral was sad and sombre, there was a happy note to it.

Because two of the mourners were fabulously fit babes who have got their boobs out in the past.

Carla Bruni is a former supermodel who is married to former President Nicolas Sarkozy.

And actress Salma Hayek is wedded to French businessman François-Henri Pinault.

Of course, the ladies kept their kit on at the funeral but, as a good Frenchman, we're sure old Jacques would appreciate seeing their knockers!

POLICE were called after a goose smashed through a taxi window.

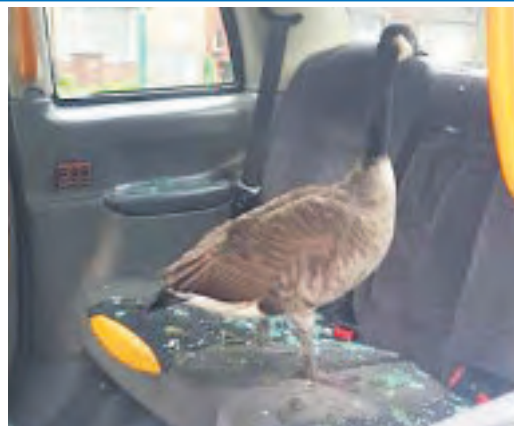

Police said they received a call over the radio on Monday about the bird flying into the taxi in the Radford area of Nottingham.

The force said the goose was taken to the vet and the shocked taxi driver had to repair the unusual damage to the car.

In a tweet, a police spokesman said: "When a colleague asked if a call had been received about a goose flying into a taxi over the radio, we had to see it to believe it."

"Goose was taken to the vets & unfortunately the taxi had to repair the damage."

"We think he may be trying to find his way to #goosefair #randomjob."

'Tommy fan' hurled barrier at riot cop

A DRUNKEN protester who threw a barrier at a cop during a pro-Tommy Robinson (above) rally was jailed for 18 months.

James Thomas, 28, was seen hurling a traffic cone and a stick and chasing after retreating officers in the violent Whitehall demonstration on June 9 last year.

Thomas, of Christchurch, Dorset, admitted violent disorder at Southwark Crown Court.

Prosecutor Aska Fujita told how police were "overrun by the demonstrators" as drunken thugs began to kick and spit at officers.

"The police have been consistently abused, had missiles thrown at them, they have been punched, kicked and had barriers thrown at them," said Ms Fujita.

Thomas was among the front of the crowd screaming 'You're not even English' and 'Shame on you' at officers trying to control the chaos, the court heard.

Physio 'touched women's genitals'

A PHYSIOTHERAPIST has been struck off for groping 11 patients in a pattern of sexually motivated misconduct.

Thirunavukkarasu Selvaraj, 38, took advantage of women in his consultation room at Upton Hospital in Slough, Berkshire.

Selvaraj (above) repeatedly touched patients' genitals 'without adequate clinical justification or reasoning' and even fondled himself, the Health Care Professions Tribunal Service heard.

A panel struck him off after upholding 43 of 52 allegations against him.

OAP STABBED PLUMBER TO DEATH

Victim wanted £1,350 to fix boiler

ATTACK: Treadwell (above) killed Gary Amer (left)

A PENSIONER who knifed a plumber to death after he charged him £1,350 to fix a 48-year-old boiler has been jailed for 10 years.

William Treadwell, 68, beat Gary Amer six times over the head with a mallet and stabbed him 30 times at his home in Walworth, south-east London.

Treadwell then threw a sheet over the 63-year-old workman's body and made his way to his local pub, where he dialled 999 to confess to the killing.

Prosecuting, Timothy Cray said: "The defendant attacked Mr Amer from behind while Mr Amer was working on the boiler."

"Mr Amer would have been unable to defend himself or to avoid the many blows which were inflicted."

Wounds

The 'sudden and overwhelming attack' left the victim with "multiple head wounds, multiple stab wounds and no defensive injuries, consistent with a surprise attack."

Treadwell's sister found the plumber's dead body in the kitchen after returning from a shopping trip.

"The defendant had covered the body with a sheet before he left because he must have realised that his sister was bound to return to the flat," said Mr Cray.

the weekend before the killing and Mr Amer had been called out on the Monday.

The plumber, who had over 30 years' experience, ordered parts to fix the water heater and took a £400 deposit on the £1,350 fee.

He then called out a specialist electrician at additional cost to deal with the old appliance, before realising he had been sent the wrong replacement parts.

"The defendant was agitated about the fact the work would not be completed," said Mr Cray. "He had concluded Mr Amer was a rogue trader."

"The defendant also has a recollection of hitting Mr Amer with a hammer and taking possession of at least one kitchen knife and covering the body with a dust sheet."

He then took the bus to his daughter's home and gave her £6,500 in cash before going for 'a last drink before turning himself in'.

'DILDO STASH' WAS HEAD IN A BOX

A WOMAN has been arrested after leaving a box containing a rotting human head with a friend to look after while cops searched her house.

The gruesome discovery was made when the unsuspecting friend was told the box contained sex toys and the woman did not want the police to find them.

She reportedly handed the box over to her pal ahead of a police search of her home in northern Spain, following the "voluntary" disappearance of her partner, claiming she did not want to be embarrassed.

But her friend called police after opening the container because of a bad smell and discovering the severed head, which is believed to have been in the box since April.

The macabre discovery was akin to when actor Morgan Freeman opened a parcel in the 1995 movie *Seven* to find that it contained Gwyneth Paltrow's head - the wife of Freeman's police partner, Brad Pitt.

The woman held by officers has been identified locally as a 61-year-old named only as Carmen M.

Police are still trying to identify who the head belongs to, but local media are reporting Carmen's 67-year-old partner vanished in February.

The woman who made the gruesome discovery had to be treated for a panic attack.

Clifford made prison rants before death

DISGRACED celebrity publicist Max Clifford complained about jail conditions before he died of heart failure, an inquest heard.

Clifford, 74 (above), collapsed at Littlehey Prison in Cambs, where he was serving an eight-year sentence for historical sex offences.

He died in hospital in December 2017 from congestive heart failure.

Barrister Kimberley Aiken, representing Clifford's family, told a pre-inquest review hearing that Clifford had made a number of claims about prison conditions, which were refuted by a barrister for the Ministry of Justice.

The PR guru, who used his celebrity connections to lure women, was found guilty of a string of indecent assaults from 1977 to 1984.

Simon Milburn, assistant coroner for Cambridgeshire, did not set a date for the full inquest hearing.

Two arrested over cemetery murder

TWO people have been arrested on suspicion of murder after a man was found dead in a cemetery.

Kent Police launched an investigation after the body was discovered in Cowgate Cemetery in Albany Place, Dover, at around 7am yesterday.

Det Insp Neil Kimber said: "We are treating the man's death as suspicious."

"I'm keen to hear from anyone who may have information that will help us with our investigation."

Straw: Scandal down to £80k salary for MPs

EX-HOME Secretary Jack Straw says the expenses scandal came as a result of MPs not being paid enough.

The 73-year-old (above), who served as Home and Foreign Secretaries under Tony Blair and Chancellor under Gordon Brown, stepped down as an MP after 36 years in 2015.

The veteran Labour politician said MPs – currently on a £79,468 salary – were not paid enough, despite it being more than double the average UK full-time salary of £35k.

Mr Straw said: “I don’t think I had any pay rise in the Cabinet.

“No-one should be in it for the money, but society needs to make a choice about whether it wants to attract really good people into politics.

“The reason the expenses system got out of hand was that successive governments held MPs’ pay down and told them instead to claim allowances up to the maximum – often without receipts.”

Driver caught speeding puts blame on farts

A DRIVER stopped by police for speeding blamed his passengers for FARTING.

He claimed he wanted to reach his destination as fast as possible to escape the stench.

It was one of a string of bizarre excuses motorists gave to Dorset Police’s road traffic officers.

A spokesman said: “We had to smile at his cheek, but it would have been safer to open a window.”

One speeding driver said he was desperate to see the Labour leader, insisting: “I’m rushing to Bournemouth because Jeremy Corbyn is there.”

Another seemed to think speed limits only applied in the week, claiming: “I always put my foot down at the weekend.”

One even admitted: “I’m on my way to an eyesight test, I didn’t see the speed limit sign.”

‘I’D HAVE F**KED YOU BOTH’

Masturbating man tells transsexuals

having a picnic

A MAN wanked in front of two transgender women at a remote beauty spot and told them: “I would have fked you both.”**

The friends were left disgusted and distressed by forklift driver Graham Beevers’s behaviour at Buckstones car park above Marsden Moor.

The 52-year-old denied pulling down his shorts and touching himself in front of the women.

He claimed he’d gone to the area to watch hang gliders, but was found guilty of exposure after a trial at Kirklees Magistrates’ Court.

Beevers now faces jail after the court heard he “demonstrated hostility” towards the women by laughing at them as he thought they looked “funny”.

Prosecutor Samuel Poniah said that the incident happened at the New Hey Road site in July last year.

The victims were described as friends having bonded over their transgender identities and love of cars.

They arrived at the beauty spot to have an afternoon picnic and take photographs.

A few hours later Beevers pulled up alongside their vehicle in his car, looking at both of them for a while.

Fondling

He then got out to sit on a nearby fence.

One of the victims told the court: “Much to my amazement he put his hand over his shorts and pulled out his penis and started fondling it while staring at us.

“He was staring at us all the time. He did this for two to three minutes. I was extremely shocked

By EMMA DAVISON

– it made me feel very uneasy.”

The victim said she didn’t get out of her car to challenge Beevers, of Halifax, because she wasn’t sure what his reaction would be.

She said: “I thought it best to stay in the safety of the car as hopefully he was going to go away.”

“It was so disgusting, I kept turning my head away.”

Penis

Beevers then walked towards the women’s car, staring at them for a few minutes before saying: “Alright?”

The victim added: “He got into his car and I thought he was leaving. He got back out and this time he had no underwear on at all – not a thing on his bottom half.

“He sat on the fence again and proceeded to play with his penis.”

Then a small white van arrived at which point Beevers drove off.

The victim said: “As he left he pulled up, looked directly at me and said: ‘I would have f**ked you both’ and then drove off.

An all-options probation report, including custody, was ordered ahead of Beevers’s sentencing on October 24.

Actress ‘bit woman during train fight’

AN actress has appeared in court accused of biting another woman while they were on a train.

The 23-year-old visited Newbury racecourse with friends and was returning home when the fight broke out.

During the scrap, it has been alleged that Eliza Peereboom (above), from Brighton, pulled the hair of Ciara Jones and her friend Nicole Deadfield and bit the leg of Gabriella Marabet.

Prosecutor Emily Lauchlan opened the case at Reading Crown Court saying: “Everyone involved had been making their way home from Newbury racecourse.

“The defendant was with a friend.”

Gabriella Marabet, a 25-year-old estate agent told the court: “I was tired after a long day of dancing and chatting and slept on the train ride.”

Screams

She claimed she woke and walked down the train aisle at which point her hair was grabbed from behind and she was pulled down.

She said: “I kicked out and my leg was grabbed by the same girl who had my hair.

“I was bitten just above the knee which felt like for ages, but it was about 15 seconds. I screamed and was escorted off the train and she was kept on it.

“I had a bite mark and a sore head from where my hair was pulled. I went to the doctors and I had to receive a Tetanus jab once a month for three months and a course of antibiotics.

“I have a scar now. I have just got back from holiday and it looks worse now as the skin around it is darker.”

Miss Peereboom denies causing actual bodily harm.

The trial continues.

Blue plaque 'hit' for reggae legend

REGGAE superstar Bob Marley has been honoured with an English Heritage blue plaque, which marks the west London address where he and his band the Wailers lived in 1977.

The plaque, unveiled on Tuesday at 42 Oakley Street in Chelsea, has been in the planning process for a long time, because Marley (above) was not registered in phone directories or electoral registers.

Out of more than 900 blue plaques across London, only 4% are dedicated to black and Asian people.

In 2015, English Heritage established a working group to reinvestigate the addresses of noted ethnic minority figures.

Cops search for lookalike who nicked rubber minge from sex shop

AN Elvis Presley lookalike has been accused of stealing a fake VAGINA from a sex shop.

The King double allegedly nicked the prosthetic pussy after a failed attempt to purchase it.

Staff member Kat Maher said: "He was very energetic and erratic, going around the shop, talking a lot."

"He brought a sex toy called 'Like a Virgin' up to the counter but his debit card was declined."

Frustrated

Kat said the man - whose Elvis-like characteristics included slicked-back black hair and large sunglasses, incongruously teamed with a high-visibility vest - then ran out of the shop with the £50 sex toy in his hand.

Police confirmed they had received a report of a theft at the store last week.

The store, frustrated with repeat shoplifting incidents, posted stills

from CCTV footage taken in the shop on social media in an effort to help track down the thief.

Kat said she also hoped to track down a woman who allegedly stole vibrating sex toys, before running out of the door and jumping into a getaway car.

She told a newspaper reporter: "She just did it so quickly. She knew what she was after so must have been casing it for a while."

"I went out there and tried to open her door. I knew that she'd stolen something... I was going to jump on the boot."

"I work 13-hour days on a Friday, and it ruins your whole day."

She said the Peaches and Cream store in Auckland, New Zealand, was targeted by thieves, hoping to sell goods for drugs, about once a week.

A NAKED loon attacked a man and bit his dog after escaping from a nuthouse.

Victim Andrew Wilson said he was coming home from McDonald's when the suspect ran toward his car in the driveway.

The nutter, 19, who cannot be named for legal reasons, dove into the car and began attacking him and his dog.

The attack lasted for 13 minutes during which the man bit both of them.

Mr Wilson said, "He took a bite out of my arm and then bit my Maltese terrier, Beau, and tried to literally pull him apart."

Cops in Melbourne, Australia, were called and hauled off the loon, while Mr Wilson was rushed to hospital with severe injuries to his upper body.

ARTIST'S MATERIAL GAINS FROM DELI

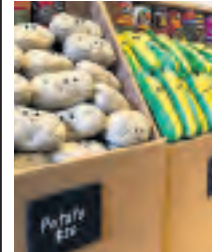

A BRIT artist has opened an upmarket delicatessen on New York's Sixth Avenue - stocked with 30,000 products made from FELT material.

Each piece in Lucy Sparrow's *Delicatessen On 6th* is exactly the same size and weight as it would be in real life, from steaks to bottles of beer and tiny chocolate truffles.

The food emporium features fish, shellfish, meat and cheese counters as well as a bakery, veg stall, a patisserie and a stand stocked with tiny chocolates.

Shoppers are able to pick up a basket and select items as they would in any other New York deli as every product is for sale from £4 for a prawn to £160 for a lobster.

Every one of the thousands of items has tiny eyes and a smile and were all hand-sewn and coloured by Sparrow, 33, who also signed them all.

Renault fans have more va va vroom for car sex

RANDY Renault drivers are most likely to bonk in their motors, a study has found.

A poll of 2,000 Brits shows 44% had romped with their partner in one of the French cars famously advertised on TV in the "va-vu-vroom" TV ads starring ex-footballer Thierry Henry.

And 25% confessed they had cheated on a partner with someone else in their car.

When it came to drivers who were most likely to have sex in their motor, the study by insurance firm Tempcover found Renault drivers were the most likely (56%).

BMW drivers weren't far behind, with 52% while the least likely car to romp in was a teeny Smart car, with just 15% of owners saying they'd had sex in the motor type.

One-in-five also said they'd romped in their car in a multi-storey car park.

Mike gets Magic for Strictly 'strip'

STRICTLY fans have been left wondering if Mike Bushell will get his cock out as he performs to a song from the film *Magic Mike* in the dance show's movie week episode.

In the film, Tatum and his co-stars are seen stripping on stage for excited revellers.

BBC Breakfast sports presenter Mike and his dance partner Katya Jones will dance to The Weather Girls' classic 1982 hit *It's Raining Men*, which was used in the 2012 silver screen drama about strippers.

Mike and Katya will bring the movie to life with a cha cha – one of the livelier dance routines used on *Strictly*.

Songs from films including *Moana*, *Aladdin*, *Austin Powers* and *Batman Forever* will also be used in the themed episode on Saturday.

BMW drivers spend the most time and cash – £136-a-year – keeping their cars spotless, a study of 2,000 motorists by MoneySuperMarket has found.

A nip off the old block!

JUST like her famous parents, Iris Law knows how to get people's attention.

The 18-year-old stepped out in London wearing no bra and showing off her stiff nipples.

No doubt her mum Sadie Frost and dad Jude Law will be very proud of her!

Kaia's a model daughter!

STUNNING Kaia Gerber showed she's following in her mum's footsteps on the catwalk.

The 18-year-old was snapped during Paris Fashion week in a completely see-thru top with no bra that showed off her pert, pink nip.

Her mother, Cindy Crawford, must be pleased as punch to see her at work.

Jezza's glad he's too old for Love Isle

FORMER *Newsnight* host Jeremy Paxman has revealed watching *Love Island* makes him "glad" he is no longer in his twenties.

The presenter blasted the ITV reality show, which sees young men and women sent to a luxury holiday island in search of love.

But Jezza (above), 69, questioned why anyone would enjoy watching it.

In his column for *Saga* magazine, he said: "After wondering why anyone would consider the show entertaining, my main reaction was to think how glad I was not to be 20 anymore."

Paxo also said *The Last of the Summer Wine* characters Norman, Cyril and Compo should be "role models for us all".

He added: "People who spend time with friends when they're 60 are less likely to have dementia when they're 70. Well who'd have thought it?"

Mosque porn attack probed

A HAUL of explicit porn was left outside a mosque in a "deliberate attack" by a mystery man.

Police are investigating the porn attack on the Grangetown Muslim Cultural Centre in Cardiff after the culprit was seen on CCTV.

Tariq Ashwan, secretary at the centre, believes the photos had been "deliberately placed to cause offence", adding: "We are very annoyed and extremely upset."

SPRINTER'S CROTCH CAM FURY!

Female athletes say new track footage is bang out of order

WOMEN athletes have reacted angrily to close-up cameras at the World Athletics Championships in Doha – which they claim focus on their FANNIES.

The miniature cameras within the athletes' starting blocks are meant to "capture the intense moment just before a race".

But female racers including Brit sprint queen Dina Asher-Smith

say the cams make them feel very uncomfortable as they have to climb over it in the moments just before a race.

One German athlete, sprinter Gina Lückenkemper, remarked: "Was a woman involved in developing this camera? I do not think so!"

She added: "I find it very uncomfortable climbing over

this camera while wearing skimpy running clothes to go to the starting block."

Tatjana Pinto, another German athlete competing at the championships this week, has also complained about the cameras.

And German athletics bosses have now demanded footage only be displayed once the runners are on the starting blocks.

PERV FILMED HIMSELF SHAGGING BOSTON TERRIER

PIC posed by model

A TEENAGE nonce smeared dog food over his genitals and had his little dog lick it off.

Warped Daniel Figueroa, 19, was nicked after cops investigating his noncery checked his computer and found the video of his dog-sex antics.

Figueroa had been under investigation since April 2019 after police in Yakima, Washington state, received a tip-off from the National Centre for Missing and Exploited Children about someone gaining access to illegal porn.

Warrant

By late August, police had enough evidence to request a search warrant for Figueroa's home.

Police executed the warrant and arrested Figueroa at his home on September 3.

They seized his mobile phone, which contained numerous explicit photos and videos.

In an interview with police, Figueroa said that he would use apps on his mobile to find porn.

He said he knew it was wrong, but that he could not help himself.

Figueroa also allegedly coughed up to another sex

crime and recording himself with the victim.

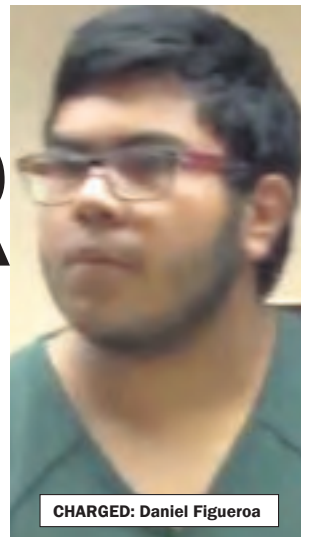

After the arrest, court documents say police found several photos of bestiality along with a video of a Boston Terrier licking a man's genitals.

Based on past evidence, police officers said that the video appears to have been

made by Figueroa.

Figueroa is now facing a first-degree animal cruelty charge in addition to his other charges of first-degree molestation and possessing and dealing illegal pornography.

A police source said: "This guy is an out-and-out pervert and the sooner a judge sends him to jail for a long time, the better it will be for everybody... including the dog."

SCHOOL MISS FINGERED HER MINGE ON SNAPCHAT And sent it to lad, 14

A SCHOOL secretary has been arrested for sending a graphic video of her FINGERING her minge to a 14-year-old student.

Heather Matheison, 25, was nicked after the teenage lad sent his mum the X-rated video which he had received on Snapchat.

"He showed me a short vid, which shows Matheison's face," a police officer said.

Pants

He added: "She is wearing a shirt but no pants."

The student said it was sent on Snapchat so it would automatically be deleted after being viewed – but he kept a copy, which he then forwarded to his mum on Facebook Messenger.

By **BRAD CHADWICK**
news@sundaysport.co.uk

Police say Matheison "confessed to sending the video" when she was confronted before her arrest last week.

"She described the video exactly as I had seen it, and she also confessed to sending it over Snapchat to the 14-year-old victim," the

CONFESSION: Heather Matheison

officer wrote, adding that the secretary "knew how old the victim was" when she sent it.

Matheison has been charged with submitting electronic transmission material that is harmful to minors.

The board at Chasco Middle School in Pasco County, Florida, will now decide on her position there.

Cops pull the plug on porn billboard show

POLICE are investigating after an X-rated porn video was played on an electronic **BILLBOARD**.

They claim it started just after 11pm and was on the roadside hoarding for half an hour.

"It was very bizarre," said eyewitness **Chuck McMahon**. "I thought maybe it was a billboard for a strip club or something like that."

Although **McMahon** didn't call the police, cops said multiple people called them after seeing the explicit video.

McMahon added: "I was just looking up at it and I was like, 'Huh, oh, wow. That's porn!'"

The **Auburn Hills Police Department** in Michigan was able to get in contact with the company that owns the billboard and the images were removed within 30 minutes.

MAN TOO DRUNK TO KNOW IF HE HAD PROPOSED!

A MAN who was so drunk he could not remember if he had proposed to his partner woke up in a police cell.

Darren Cotterill, 36, had intended to surprise his girlfriend of nine months with a proposal on a night out in Chester, but he became so bladdered she left him at the Travelodge hotel they were staying at, Chester Magistrates' Court heard.

Prosecutor **Rob Youds** said staff at the hotel had to call police on September 7 as Cotterill would not leave his bed after the check-out time, and was still intoxicated.

Police gave him a lift to the nearest railway station but Cotterill started acting up and was warned about his behaviour, before he knocked over a sign, said: "F**k," and was promptly arrested.

Cotterill, of Wythenshawe, Manchester, was subject to a 10-week suspended prison term for drink-driving, and had 12 convictions for 22 offences on his record.

But magistrates chose not to activate his suspended sentence on the grounds the new offence – one of using abusive words to cause alarm or distress – was not one he would have gone to prison for.

Defending, **Claire Parrott** said Cotterill

had an issue with booze and, since his last offence, had been sober for several months.

Fortunately, he had since re-proposed to his fiancée and she had said yes, the court heard.

Cotterill's existing 12-month community order was extended to 18 months and he was fined £230.

DYING FOR A FAG!

Woman explodes portable loo by lighting a ciggy

WEEKEND Sport
No 1 FOR BABES!

By GRACE HOOPER news@sundaysport.co.uk

THE charred body of a woman was found in the remains of a portable toilet that EXLPODED when she lit a fag while taking a dump.

Cops were called to a construction site in the garden of a house after neighbours spotted a plume of smoke.

When they got there they discovered the remains of a human being, who has still not been identified. It is thought the lighter ignited methane gas that had built up in the toilet from all the poo in it.

A police spokesman said: "Detectives believe the victim is a white female. At this time, we have not received any missing persons reports that may coincide with this incident."

Burned

Neighbours said they heard a loud explosion around 7am, then saw the portable toilet on fire in front of a home under construction.

"I was just sitting watching TV and heard a loud explosion," one neighbour said.

Another neighbour said investigators put on hazmat suits as they sifted through dirt and other areas of the construction site for several hours.

"The portaloos blew up, there's nothing left at all," neighbour Jan Long said.

A police spokesman in Florida said the victim was too badly burned for immediate identification and a post-mortem has been scheduled.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

[illegible]

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Caught on film in his wife's undies

Dear Ashleigh,

I FIND myself in a very difficult situation as I've been shagging my neighbour's gorgeous wife.

She's also a bit kinky and loves me to f**k her while I wear her bra, stockings and suspenders.

The thing is, I get a real kick out of wearing her lingerie while we're on the job, too.

A problem arose, though, after her hubby invited me and my missus round for drinks one evening a few weeks ago.

After we had been sitting chatting innocently for about three-quarters of an hour, he brought out his laptop.

To my horror, he had recorded footage of me and his wife getting down to it in their bedroom and gave the laptop to my missus.

As the video rolled on there was me wearing bra, stockings and susses, nuts deep in his wife and pounding away at her for all I was worth, clearly enjoying every second.

I realised instantly that the dirty b*****d must have been hiding in the wardrobe filming the whole thing just to stitch me up.

As you can imagine, I was expecting a right mouthful from

the wife, followed by a demand for a divorce.

But I got an even bigger surprise when my missus said that what she was seeing was okay – even the bit where she saw her neighbour inserting a vibrator up my backside.

I had felt sure she would kick off, but instead she wanted to know why she'd not been invited to take part in our sex fun.

She then surprised me even more by suggesting that our neighbour's hubby could join in for good measure.

Well, it may sound sort of selfish but I didn't like the idea at all, though I couldn't really complain, could I?

Licking

So after a few more drinks my wife stripped to nothing but a pair of see-through briefs I didn't even know she had.

Before I knew it, both of my neighbours were on her, with the woman licking out my missus as she sucked on the bloke's rock-hard cock.

They were clearly enjoying themselves and I could do nothing but sit there and watch them go at it.

But I wasn't left out for long. After he had shot his load all over my wife's face, I was invited to get my cock out and into her hungry mouth and she sucked me off while the neighbour's wife squeezed and licked my balls.

As this was going on, the

neighbour had recovered and was banging my missus.

After a while they told me to dress up in my wife's lingerie and get it on with the neighbour's wife, just like we did on the film.

While I was giving my wife one from behind, I noticed my neighbour had his camera out and was filming my wife – who was pleasuring herself with a giant vibrator that had suddenly somehow appeared.

Seeing her legs splayed and the plastic tool plunging in and out of her sopping fanny was too much for me.

I spunked all over his wife's boobs and was amazed when my wife zoomed in and licked my mess up.

Before the night was over, the women got a twin-ended dildo and f**ked each other while me and the neighbour shot our loads into their mouths.

It was a great night and we plan to do this more often.

The trouble is my wife now insists I wear women's undies every time I have sex with her.

I always considered it a harmless fetish but this is taking it a bit too far, isn't it?

What do you reckon?

PH, west Midlands

Ashleigh says...

THERE are always pitfalls when couples turn in to swingers. Just go with the flow.

Steel band hunk hit right note

Dear Ashleigh,

I WENT with a pal to a fancy dress evening with a Caribbean theme at a pub near me which had just come under new management.

Even though it was a bit chilly, we both decided to go in sexy and skimpy beach gear.

It was a lot of fun and the cheap rum punch flowed. I think I must have had a bit too much too soon as I was first up for the limbo dancing competition when it was announced.

The whole event was being run by a hunk who was a member of the steel band. He was quite a character and after he helped me under the limbo pole a few times I thought I might have a chance with him.

Later, I bumped into him in the corridor and we got chatting, leading

to the inevitable request from him for a bit of a cuddle.

We kissed and I made it clear I was up for more than just that, so he led me into a room at the back of the pub, tugged down my bikini bottom and tongued me to ecstasy.

He was magic with his mouth and I clamped my thighs round his head as I came.

I was happy to return the favour, pulling out his whopping member and sucking him to completion.

I want to seem him again, but he left before I could get his number.

What do you suggest?

GD, east London

Ashleigh says...

JUST think of it as a holiday romance.

#MY SEX FANTASY

'I have a naughty confession... I love a bit of bum fun – in fact, I can't get enough!'

**...WITH
FELICITY
HILL, 27
30D-25-35
FROM HIGH
WYCOMBE,
BUCKS**

**BUM fun always
feels so naughty
and taboo!**

I don't do anal play every time I'm in bed with a guy though.

It just happens sometimes when I get revved up!

It's great to start off with a sensual massage of the bum cheeks.

I've been told lots of times that I've got a peachy bum.

Then I really enjoy a finger up there – you need

plenty of lube and then it feels absolute bliss!

Using a vibrating anal toy adds a completely new sensation and gets me in the mood for penetration.

The guy should start slowly then work things up gradually – then I'm nice and relaxed and can take a good seeing-to.

Do it correctly like this, and it makes me come for Britain!

I like to see the guy enjoying the feeling of something nice and tight, too.

CLASSIC PAGE 3

LISA BANGERT

By **SIMON DEAN**

simon@sundaysport.co.uk

LOVELY Lisa Bangert hung up her bra straps in 1995 after a career as one of the country's top glamour girls.

But she got a new job taking her KNICKERS off instead!

The brown-eyed brunette from Mansfield, Notts, became a BOTTOM DOUBLE for the likes of Brit actress Joanne Whalley and Hollywood stunna Angelina Jolie in *Tomb Raider*.

Lisa, now 41, said: "I know most women hate their rear ends, but I'm an exception to the rule."

"I don't have a problem with the size and shape of my bottom – just as well, considering my line of work."

"Ask me to single out my best feature and it would have to be my bottom. It's rounded and curvy like the proverbial peach."

"My statistics are 34B-24-34 – the ideal proportions in the modelling world – and I weigh eight stone."

"My work as a bottom double led on from other things."

"I started modelling when I was 17, in 1989."

"And a few years ago, my bottom appeared on giant billboards advertising Bupa."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

CHARLIE McCANN

WITH HIS SPORT ODDS AND ENDS

GUTTED:
Milner in
Naples

RED BULL TO CHARGE AT ANFIELD

LIVERPOOL maintained their perfect start to the domestic season at Bramall Lane but, having lost at Napoli for the second year on the spin in the groups, the holders need to beat Salzburg at Anfield tonight to get their Champions League defence back on track.

Given Liverpool won the trophy in Madrid in the spring and reached the final in 2018 it is staggering to find that Jurgen Klopp's side have only won one of their last 10 away group games although that was an emphatic 7-0 victory in Maribor.

The Reds are unbeaten in their last 22 home European ties and have not conceded in the last five. Salzburg have played just twice in England and lost without scoring, but this is a good Austrian side who can score and put six past Genk on Matchday One.

Liverpool are 1/3 with BetVictor to keep all three points with the draw 4s and an unlikely Austrian win at 7s. Do note Salzburg lost 3-0 at Napoli in the Europa League last 16 last season although they did win the home leg 3-1 – they will be a threat to all in Austria.

Exciting young striker Erling Braut Haaland – son of former Leeds' midfielder Alf-Inge – scored a hat-trick against Genk but is reported to doubt for this evening's clash through illness. I think the Austrians will score and the recommendation is for Liverpool to win and both teams to score at 5/4 with BetVictor.

Reverse

Lille have not won in their last nine home games in European competition and both they and Chelsea lost their opening group game without scoring. Both sides will be looking to kick-start their Champions League campaign, but I feel they will have to settle for a point apiece in northern France.

The Blues gained a much-needed first home league win against Brighton on Saturday but their record in France is mixed – W1 D2 L5. Lille and a draw this evening are both priced at 13/5 with Chelsea 21/20 at BetVictor. Last season's Europa League winners are unbeaten in their last seven away ties in European competition and I believe they will take all three points from a game they cannot afford to lose after their home reverse to Valencia. I hope, when the dust has settled, they do not rue Ross Barkley's late penalty miss.

Manchester United travel to The Hague to play AZ Alkmaar tomorrow night – the hosts home ground is not ready after a roof fell off one of the stands' recently – after another disappointing home performance against Arsenal on Monday. Manchester United have now won 49 points from their 28 Premier League games under Ole Gunnar Solskjaer – two fewer than they won in their final 28 games under Jose Mourinho.

United are 13/10 to win in The Netherlands with the hosts 19/10 and the draw at 12/5. A draw wouldn't be a bad result for Solskjaer's side although the recommendation must be for Alkmaar at 23/20 in the draw no bet market with BetVictor.

YOUNG BLUES:
Jorginho with
Mount and
Abraham

Europe tough for Blues kids

YOUNGSTERS NEED TO FIND FEET SAYS JORGINHO

JORGINHO admits the Champions League is steep learning curve for his young Chelsea teammates.

Frank Lampard is winning many admirers for giving youth a chance since taking over at Stamford Bridge.

The Blues can't bring in new players thanks to their transfer ban and that has given a chance to the likes of Tammy Abraham and Mason Mount.

They are having their first taste of Champions League football and a 1-0 home defeat against Valencia was hardly the ideal start.

But Jorginho has faith in

By PAUL THOMAS

his young team-mates and believes they will make the most of the opportunity.

He said: "The Champions League is very difficult. But we are ready to go everywhere to try to win."

"It is a new experience, but they are showing how good they are. They just have to believe in themselves."

"The midfielder knows the key to success in Europe is to take any chances created."

Jorginho believes the games are often tighter in the Champions League and it's important to make the most of any opportunities created.

He added: "It is important

because we need to create a lot to score but I think we need to be better because we can't create how we did and score just two goals against Brighton."

"In Champions League games, you can't make a mistake because every team is very good."

"Opponents can create just one chance and can score. So we need to be more strong with our mentality to defend."

It's familiar theme at Stamford Bridge and Willian agrees that Chelsea must hit the target more often.

He points to the Brighton win at the weekend. It was a comfortable enough 2-0 success but the Blues had 24

shots for their two goals and the game could have gone either way.

Willian said: "The game could have been 3-0 or 4-0. In the first half we created a lot of chances and I think we have to be more clinical."

"We cannot miss chances like this and we have to now think about the next games."

"The clean sheet means we get confidence now. We will have more confidence in the next games and we have to carry on the same way."

"If we want to stay at the top of the table we have to win points and win games, so we go for it."

"We have to keep pushing and working hard, and I think we can do that."

MY REDS CAN HIT TOP FOUR

OLE Gunnar Solskjaer insists his squad is good enough for Manchester United.

The Norwegian is coming under massive pressure after the Red Devils' worst start to a season since the 1980s. It was another case of United failing to cash in on scoring the first goal against Arsenal on Monday night.

For the third time in the Premier League this season, Solskjaer's side went a goal up but didn't win the match.

Arsenal looked the more dangerous side in the closing minutes of the 1-1 draw at Old Trafford.

The stalemate left United 10th in the table but only three points away from the Gunners in fourth place.

Solskjaer insists there is enough quality in his squad to challenge the top four.

He said: "There are many things that give me loads of confidence."

"We can talk about performance but it's results that matter. You can talk about results, I can talk about six out of seven good performances."

"West Ham, we know, was below par but it wasn't as bad as you lot made it out to be."

"How many times have we been 1-0 up and not got the second goal?"

"This is a steep learning curve for us and we'll keep working hard

By JOHN ANTHONY

and, with more experience, we'll make the right decisions.

"It's another game that we're 1-0 up – Southampton, Wolverhampton, we need to learn to win these games."

"We need to be more clinical at both ends of the pitch."

United keeper David De Gea appears to agree with his manager and is frustrated at the team's form.

He wasn't happy with the way VAR was applied for the Arsenal goal as the linesman clearly raised his flag before the goal went in.

But De Gea admits it was poor defending that was at fault.

The Spaniard said: "It was a big mistake for us, we gave away an important goal."

Problem

"Of course it is easier if the linesman keeps his flag down, but we know there is VAR. If it is offside, it is offside. We need to stay focused."

"This is Manchester United, we play at Old Trafford, so we have to win these games."

"We have a young team, but the lads have to react and play better to win these games."

For Arsenal striker Pierre-Emerick Aubameyang, the Gunners have the opposite problem to United.

The Londoners keep starting games poorly before improving after half time.

The forward got a well-taken equaliser at Old Trafford but is frustrated with his team's form despite them sitting in the top four.

He said: "The team fought very well and we will take a point. It's always hard to come here."

"Last week we came back well, this week too, maybe we need to start with great strength."

STRUGGLE: Solskjaer

BACK: Pogba had little impact against Arsenal

LINE CALL: George Ford

Ford gets on right side of referees

RUGBY WORLD CUP

GEORGE Ford says England are going the extra mile to stay on the right side of the rules.

He is concerned about conceding penalties for offside that could make the difference in tight matches to come in Japan.

The standard of refs in the World Cup has come in for plenty of debate with some dubious decisions about high tackles.

But policing the offside line has also been causing problems with Ireland and Australia in particular upset with calls.

Ford says that England are changing the way they play to make sure they don't fall foul of tight offside calls.

He said: "It's pretty clear as a player. We see it as being pretty clear anyway."

"We want to make it clear that we are onside and that's for the referees to interpret."

"Our aim is to be whiter than white in terms of that because the thing we've seen is that one penalty can change the momentum of the game massively."

Hawkeye

"A lot of them are coming from offside and it's something we want to be ultra disciplined in."

"You want the offside line to be refereed well. It's a rule, it's crystal clear and you want it to be refereed well."

There is talk of Hawkeye being introduced to show when players are offside.

Despite the obvious technical issues, the cricket-style technology could be used to decide line calls.

Ford sounds dubious about that being a solution.

He added: "I'm not too sure how it would work or what effect it would have."

"Rather than the offside line, the key for a fly-half is the speed of ball at ruck."

"If you get speed of ball at the ruck then they can't come off the line anyway, they're on the back foot. That's the key to attacking the line."

England could clinch a quarter-final place by beating Argentina on Saturday.

Ford looks set to stay alongside Owen Farrell in the engine room.

He said: "I've played with Owen through the age groups and at senior level so the understanding is good between us."

HUNDRED UP FOR SMITH

STEVE Smith and Chris Gayle are two of the biggest stars confirmed for The Hundred next summer.

It's a new competition which features eight teams slugging it out in a 100-ball match.

Instead of counties, the sides are based in cities and are being put together just for the tournament.

The players for each team will be bid for in a draft like the Indian Premier League on October 20.

Aussie skipper Smith lit up the Ashes this summer and is

CRICKET

likely to command one of the biggest fees.

David Warner, Aaron Finch and Mitchell Starc will also be up for grabs as each team is likely to field three overseas players.

Gayle will be joined by other veterans like Shahid Afridi and Lasith Malinga.

Most of the world's top players will be on show and Ben Stokes is likely to be a big catch. He may not play a full

part due to his England Test commitments but is sure to command a large fee after his World Cup and Ashes heroics.

And he can't wait for the action to get started.

Stokes said: "One of the best things is that people will be able to see the best players in the world, playing every week."

"You've got two to three overseas players in each team. Every team is going to have an overseas superstar – something that has not always happened in England."

Stokes' county Durham is not

taking part and he admits it will be strange pulling on a different shirt.

He added: "I've played at Durham since I was 16 years old, and when you head into something new and you're not quite sure where you're going to be, it's exciting again."

"We've all got an affiliation with our counties but someone from the north might end up in the south and someone from the south might end up in the north."

"I'm excited to be part of something that is trying to bring a new audience to the game."

BARCA WILL WISH

Catalans to get Chelsea star on free

By JOHN ANTHONY

BARCELONA are closing in on a free transfer for Willian.

Chelsea turned down a £40m bid from the Catalans last summer but they look set to get their man.

The Brazilian's contract runs out at the end of this season and there is very little chance of him signing a new deal.

The Blues only offer one-year contracts to players of his age and that's not likely to force him to sign.

Barcelona have long been an admirer of the winger and tried to hijack his move to Stamford Bridge way back in 2013.

Despite being 31, the Spanish giants think he can improve their squad. With Callum Hudson-Odoi coming through, the Blues could even offload Willian in January and bring in some money.
